At the time the instant application was filed, Applicants claimed Small Entity status, which was noted on the Filing Receipt mailed September 17, 2001. Following the Assignment of the instant application to Prairie Logic, Inc., a small entity (recorded on August 10, 2001 at Reel 012070 Frames 0466-0469; Reel 012070 Frames 0472-0475; Reel 012069 Frames 0629-0632; and Reel 012118 Frames 00270031), the Corrected Filing Receipt mailed on March 19, 2003, did not reflect Small Entity Status. Prairie Logic, Inc. has subsequently changed its name to Micoy Corporation, which is the present Assignee of the instant application, as evidenced by the Certificate of Amendment filed with the State of Nevada on October 10, 2003, a copy of which was recorded with the United States Patent Office on April 4, 2005 at Reel 016003, Frames 0654-0658. Thus, Applicants claim Small Entity Status in the instant application, and accordingly pay Small Entity fees for the Issue and Publication fees herewith.

It is believed that no other fee is currently due at this time. However, any additional charges or credits may be issued to Deposit Account No. 19-0743.

Respectfully submitted,  
DON PIERCE ET AL.
